The CJGA World Junior Challenge, now in its 25th year, is one of the marquee events held in the World conducted by the Canadian Junior Golf Association.

Since the inaugural teeoff in 1993, the World Junior Challenge has seen thousands of junior golfers, representing over 30 countries, pitted against one another in a friendly, yet competitive environment held at some of Florida's most prolific golf courses.

This highly recognized event, held during the winter holiday season, December 27-30, offers Canadian and International juniors alike the opportunity to compete in an internationally ranked tournament while experiencing the culture of Florida golf.

In 2017 the **CJGA World Junior Challenge** will also be including a **Team Component** in the Junior Tour Division along with its **Individual Stroke Play Championship**.

Individual Stroke Play Championship

In the CJGA World Junior Challenge, juniors will compete in their respective age divisions.

Team Stroke Play Championship

The CJGA Country/Academy Team Entry provides an opportunity for countries/academies throughout the world to engage in a team competition while each participant competes in the CJGA World Junior Challenge for the Individual Championship.

Each CJGA Country/Academy Team Entry will have a male and female team component. Each team will consist of four (4) players with the three (3) best scores for each round counting towards the team total. Teams are required to have a minimum of three (3) players to compete. Each Country /

Academy Team can have multiple teams in the competition (example: Team Sweden 1, and Team Sweden 2).
