Help the CJGA continue:

- Providing opportunities to our youth no matter what their affordability
- Advancing the game of golf through education on and off the course
- Improving our social responsibilities towards the interests and the welfare of society as a whole including preservation of our natural habitat
- Preserving our culture by reminding us that we are part of a history that defines our past, shapes who we are today and who we are likely to become. It brings families together and enables people to reconnect with friends and functions to strengthen a sense of community.
- Preserving or restoring our environment through education
