Sponsor/Pledge/Donation Form

Support the efforts of our young men and women to enable them to govern their own lives and influence the world around them.

Golf is a game that promotes values: health, physical and mental development. It is what every parent wants for their child. The Canadian Junior Golf Association has been promoting these values for 28 years in Canada to help young golfers learn the game and provide a tournament opportunity for those that want to develop to be Canada's next professionals and leaders..

Please consider a pledge the junior golfer or donation to the CJGA. We need your support now.
