Gifts In honour/Commemorative Giving - The Canadian Junior Golf Association accepts gifts in celebration of, in honor of, or in memory of someone special to you.

In celebration of... - There are many moments in our lives which we proudly wish to remember: a graduation, a birthday, anniversary or a special holiday. For the Canadian Junior Golf Association's junior golfers, it may be competing in the local, regional, national or international events, or even the winning of a medal. Making a gift that honors this special time is a meaningful way of celebrating and at the same time knowing you have helped junior golfers in Canada.

In Memory of... - Expressing your sympathy to someone who has lost a loved one is always a difficult thing to do. There often seem to be no appropriate words but it is nice to tell the family of the departed that you have been thinking about them. Making a contribution to the Canadian Junior Golf Association can be a special way of remembrance of that special person who has passed on.

The CJGA will acknowledge your gift and send a letter to the designated person or family. The amount of your gift will not be disclosed, unless personally requested by the recipient, and you will receive the tax receipt.
